### **4-DAY/4 - NIGHT OFFSHORE CHARTER**

This is a Charter that gets you out to experience South Australia's inshore and offshore fishing options.

For those who are serious about getting involved in **SERIOUS GAMEFISH** such as Yellowtail Kingfish, Samson Fish and Southern Bluefin Tuna or bagging the famous West Coast Whiting and Snapper, then this charter will provide an exciting mix of fishing action.

Your Charter will depart from Coffin Bay to enable us to fish areas like Flinders Islands (or) Rocky and Greenly Islands. With a departure usually occurring early the first morning clients are asked to join the boat the night prior to get loaded up, comfortable and enjoy a social get together with your fellow crew members. Maybe a meal at the local tavern or Yacht club (own expense). Clients will make their own way to Port Lincoln where we can arrange transfer to Coffin Bay if required.

Over the next 4 days our clients will bottom fish for **MONSTER** Kingfish and Samson Fish that **HURT YOU** as well as troll for **LINE STRIPPING** Southern Bluefin Tuna. Sharks, Snapper, Nannygai and the famous King George Whiting are all to be expected! We would arrive back at Port (Coffin Bay) approximately 4pm on the last day.

Our 65' Conquest, "**CRUSADER III**" will carry up to 12 Clients plus Crew in air-conditioned cabins for comfort and safety to ensure a quality fishing experience.

Cost per person is **\$2450** per head inclusive. All meals and drinks including Beer, Wines and Soft drinks, (excluding Spirits) are supplied along with quality offshore fishing gear. We supply all fishing equipment; fishermen are always welcome to bring their own tackle of course. We also supply all bedding, linen and towels.
